Dear Club,

The one thing I've never experienced sexually, is being fucked by two cocks at once and I must admit it has always been a fantasy of mine. Luckily, last weekend my dream came true and it was one of the most awesome screws of my life!

I'd been invited to a house party on the Saturday night and as I've been single for a couple of months now, decided it was a great opportunity to get a bit of cock action. I dolled myself up in a tiny mini-skirt, heels and my best slut make-up as I know what gets a guy going and I wanted to make sure I was the centre of attraction!

The party was in full swing by the time I got there and after I got myself a drink, I wandered around the house checking out the talent. One bloke in particular caught my eye, as he obviously looked after his body and had a lovely smile. Within a few minutes I was dancing with Max, the bloke in question, in the crowded lounge and I made sure I gave him a good view of my bulging cleavage and curvy arse as I danced up close. He slipped a hand around my waist and pulled me to him, grinding his crotch against mine. I could feel the bulge of his dick against my pussy as we gyrated on the floor and I knew I was going to have his prick stuffed inside me before to long.

After more drinks and a couple of snogs I couldn't wait any longer as my cunt was wet and ready. I led him up the stairs with the intention of finding an unoccupied bedroom. I was a bit annoyed when he started chatting to one of his mates on the landing but as his

hand was stroking my bum I didn't mind too much. His friend, Joe, wasn't bad looking either and they seemed to know each other really well, and I began to wonder if I could get them to fulfil my threesome fantasy. I checked the room behind us and it was empty so acting like a total slut I walked inside and said over my shoulder to the two lads, "Hey Max, would your mate like to join us?" The expression on both guys' faces was a picture and they nearly fell over each other as they followed me into the bedroom. As Joe locked the door I stuffed my tongue in Max's mouth and groped down his jeans for his prick. It was already pretty big but a few squeezes from my nimble fingers and it was as hard as stone. As we writhed our tongues around in each other's mouths I felt Joe's hands lift my tight skirt and fondle my bum

cheeks. I pushed my arse out towards him and he yanked down my panties, thrusting his hand straight between my legs as he did so. I unzipped Max's trousers and dragged out his stiff shaft, rubbing the tip against my wet pussy as Joe prised apart my arsecheeks and tickled my taut bumhole with a finger. I nearly came there and then but managed to pull Max onto the bed. I spread my legs wide and Joe eased a finger into my slit while Max positioned himself so his rigid dick was inches from my face. I slurped the bulbous knob into my mouth and sucked it hard, grinding my twat against the now two fingers poking inside my sodden hole. I groaned as I felt Joe's tongue lick around my clit as he worked his fingers deeper up my fanny. With one hand I gripped Max's twitching tool and with the other I pressed Joe's head against my squelching cunt. Being skewered on cock and fingers made me wild with lust and I climaxed in Joe's mouth, listening as he gulped down the juices squirting from my tunnel. Joe now joined Max on the bed and aimed his prick at my face too. Gripping both their shafts I sucked on first one cock and then the other, my saliva glistening in the dim light of the

bedroom. Both of them stuck a finger in my pussy as I sucked on their meat. One of them finally dragged my big tits from my bra and started kneading them as I carried on stuffing all that dick down my throat. Both of the lads were breathing heavily and I didn't want them to unload in my mouth before my cunt had felt those lovely dick muscles.

As if sensing my concern, Max clambered between my still spread thighs and shoved his saliva-coated cock straight up my cunt. Jeez, he was big and I could feel the walls of my twat stretch to accommodate him. He continued to push up me until his balls slapped against my butt cheeks before slowly pulling out and repeating the motion. I sucked harder on Joe's prick as Max started to fuck me properly, pistoning his meat in and out of my lubricated hole. Joe's shaft filled my mouth and it felt so fucking horny to be stuffed with dick in both ends that I came again, mauling my own breasts as I did so to give me and them, an extra kick. Dragging their pricks out of me, the boys swapped places and now Joe was pumping in and out of my cunt while Max fucked my mouth. The sweat dripped off their bodies onto mine as we frantically screwed on the creaking bed. I decided I wanted to feel two

lots of spunk explode all over me and tickled the tip of Max’s rod with my tongue while masturbating him into my mouth. I heard Joe grunt loudly and looked down just in time to see him withdraw from my slit and squirt a great arc of thick white sperm over my stomach. I wanked Max faster but seeing his mate spunk up all over me did the trick and a huge jet of spunk splattered against the back of my throat, followed by another and another. I gulped down his seed as I watched the semen from Joe’s staff spray over my tits and all down my front. I smeared it over my skin, writhing beneath them as the last dollop of Max’s jizz splashed onto my tongue and I swallowed it down.

flaccid cocks until they started to come back to life. Within a few minutes we were all fucking again and it was a good hour before we tidied ourselves up and slipped back downstairs to the party with my knickers stopping the cunt juice from dribbling down my legs. We’ve already agreed on a repeat performance next weekend!

The thought of summer is always an arresting one. The warm sun on one's skin, the long evenings and of course the wonderful woman of this world often dispense with their tights and throw on a flattering frock. Pretty much like Adria here with her floating dress that quickly appears obsolete to requirements, much to our joy. Revealing her luscious young body and shaven snatch that looks softer than velvet. A long summer evening Miss Rae would undoubtedly be a shining one.

CHICK LICK

My husband and I have a great sex life. Both of us are open-minded and dirty as hell. One of the things Colin always loves to see me do is suck on his fingers after he's fingered me. This turns him on like anything. I don't know exactly why, but he says it's because he likes to see me taste my own cunt. Anyway, this became such a sexy part of our ritual that I even started doing it (and enjoying it) when I masturbated by myself. In fact, it got me going so much that I couldn't even touch my pussy without wanting to lick my fingers afterwards.

Perhaps inevitably, I soon started to fantasise about sticking them in other women and tasting them, and this fantasy got me so hot when I first had it that I came immediately all over my hand. Pretty soon I was imagining licking another girl's cunt directly, and before too long this became my regular masturbation fantasy.

One night I confessed this to Colin and it really turned him on – though I never suspected in a million years he'd actually do something about it. Then, a few weeks later, Colin came home from work with a colleague named Lisa. I figured they'd come back to knock heads on a project they were developing together, but it turned out this wasn't the case at all. "She's here for you, darling," Colin

confessed after a few drinks.

"For me?"

"You know, that fantasy of yours? Well, Lisa is willing to help you out," he said, winking.

I couldn't believe what I was hearing; Colin had propositioned some lesbian he worked with to come home with him and let his wife lick her pussy. It was all too incredible to be true, but here she was, large as life, and as she smiled and nodded I realised she was only too willing to oblige.

I didn't know where to hide my face at first, but the realisation slowly dawned on me that I could safely fulfil one of my most erotic fantasies – and all with the blessing of my husband, the dirty bastard.

I played for time as I mulled it over in my mind, but I knew I might never get another chance like this – and I felt my pussy flooding just at the thought of it.

"OK, let's do it," I said at last and we all polished off our drinks and headed up to the bedroom. Colin said he was there strictly as an observer, and Lisa stripped out of her clothes and lay

on the bed. The first moment I glimpsed her pussy, my heart leaped into my throat. It felt so weird looking at another woman's sex in this way (I mean in the flesh! I've seen plenty on your magazine over the years) and it felt stranger and stranger the closer I got until I had my head in between her legs, just inches from her warm hole.

Her aroma made me so horny I felt positively giddy. Tentatively, I touched her pussy lips with my fingers and gently traced the outline of her cunt, from clitoris to arse a few times and then I slowly pushed a finger inside. Lisa gave a gentle moan as I did that, and pressed back against my finger so that her pussy engulfed it completely. She was slick inside

“ She was slick inside and I slid another couple of fingers in to join the first.”

and I slid another couple of fingers in to join the first. It only took a little pumping before her juices were freely flowing all over my knuckles. After a minute or two of this I pulled my sticky fingers out and sucked on them. They tasted divine. Now I had to try it for myself.

I pushed her legs back and watched her lovely wet pussy splay apart before my eyes. I dipped my mouth down to it and carefully licked along her crack with the very tip of my tongue. My mind was going in all directions as I tongued her fleshy lips and I felt my own pussy start to throb in response to her arousal. I sank my tongue in deeper, then closed my mouth down around her hole and used my whole mouth to pleasure her. Although it was my first time I instantly fell in love with cunnilingus and began frantically

rasping at her slot with the flat of my tongue.

Lisa writhed on my face and drew me into her sopping sex with her legs. I stroked her neatly-trimmed pubes with one hand and clawed at her buttocks with the other as I completely lost myself in her sticky fuckhole.

As I ate her out, I felt Colin push my legs apart and slip his very welcome cock into my cunt. He fucked me furiously as I lapped at Lisa's clit and very quickly made me come. The whole of my body trembled as my orgasm shot through me and I set about Lisa's bits with renewed vigour, frantic to taste her cream.

Within another minute or so Lisa let out a wail and her juices burst all over my mouth. I lapped up what I could and let the rest trickle down over her arsehole. When Colin told me he was going to come too, I told him to come all over my bum. Lisa had other ideas though. "Come in my mouth," she told him. "I want

to see what it tastes like."

Colin looked amazed, but I gave him the OK, so he straddled her face and blew his thick load in her mouth. I couldn't tear my eyes off the sight as wad after wad of my husband's spunk spurted into this horny lesbian's welcoming mouth. Lisa explained later that she'd never tasted spunk up until that point, and she seemed to enjoy the experience, finally grabbing his twitching prick and draining him off into her mouth with both hands before swallowing the lot.

I don't think I could ever turn totally lesbian as I like cocks too much, but I could definitely get used to threesomes like that – and I think Lisa'd be happy with that arrangement as well!

CRUISE COOZE

When my best friend Sonia suggested that going on a cruise to get over my latest failed romance was a good idea, quite frankly I thought she was nuts. Surely only old codgers go on those things to sit in

deckchairs all day and play bingo all night. She'd found an amazing deal though, so in the end I relented and we signed up and joined the ship at Portsmouth for a week-long sail down to Spain and the Mediterranean.

It turned out there were younger people on board – but they were all in couples. Luckily for me, though, most of the crew were fit Mediterranean men more than happy to service any spare fanny going and mine was very, very eager to be serviced. Pietro was the lucky recipient of my tight little cunt and large firm tits after I flirted outrageously with him while lounging by one of the pools on the second day.

He'd brought me a drink and as we chatted, I nonchalantly slipped my fingers between my tanned and oiled thighs and, sure that no-one apart from my new friend could see, let one long nail trace along the groove of my

covered hairless twat. He smiled and a bulge appeared in the crotch of his tight uniform trousers. It looked like he was hung like a donkey as the outline of his cock jerked against the taut material. As my cunt started to juice I slipped him my cabin number and he said he'd knock on the door in the afternoon when his shift finished.

As I waited in my cabin, naked on the bunk, I eased a couple of fingers inside my hole and imagined the fun I was about to have. I was already soaking and my wanking actually created quite noisy squelching noises, which made me feel even more filthy.

Pietro knocked on the door at exactly the time he'd said (he later told me that seamen were noted for their punctuality!) and without taking my fingers out of my dripping slit, I summoned him in. He stood stock still in the doorway, his eyes transfixed on my glistening spread cunt, stuffed full of fingers. I opened my legs even wider as he entered the cabin and with one hand squeezed a breast so that the hard nipple jutted out towards him, invitingly.

Pietro came over and stood next to the bunk leering down at my pornographic display, the massive bulge in his trousers showing me I had indeed chosen wisely. Reaching up I dragged down his zipper and yanked down the front of his boxers freeing his prick. Fuck, he was huge! A thick solid 8 or 9 inches of dusky veined cock meat twitched before me and a pair of heavy come-filled balls backed it up. I grabbed the shaft, wrapping my fingers around the enormous girth of his tool and began to slowly masturbate him, my fingers still jammed in my pussy as the excitement rose in my groin. Pietro bent his knees and let the thick purple knob hover sexily close to my face as I jerked his foreskin back and forth. I had to taste him and flicked the tip of his prick with my tongue. He pressed forward and the whole head pushed into my gaping mouth. Mmmm, I needed this and slurped on his delicious prick, marvelling at the size of the monster. So horny was my predicament that I came over my fingers, the cunt juice pouring from my hole all over my hand and the sheets. My orgasm nearly caused me to choke on the fat pole wedged in my mouth but Pietro had a few ideas of his own and yanked his man meat out of my throat before gesturing for me to go on all fours. I happily obliged and Pietro positioned himself behind me on the bunk, tickling the door to my gooey snatch with the tip of his dick.

I tensed as I waited for the intrusion of that enormous member, pulling apart my bum cheeks so its entry wouldn't hurt. I needn't have worried as I was so lubricated

with twat sex fluid I probably could have taken two of them up me at the same time! Hmm, now there's a thought...

An inch went in and the walls of my cunt stretched to accommodate the arrival. Another inch and then another slid inside as Pietro groaned and grunted above me, gripping my buttocks for leverage as he buried more and more of his weapon up my tunnel. My dirty fanny had never been so full yet more pushed inside until I thought I'd burst. Completely stuffed with cock and unable to move I let Pietro grab handfuls of breast as he slowly began to screw me. As he pulled out the muscles of my cunt tunnel relaxed only to stretch again as soon as he pushed back in. Using my tits as handles he fucked my cunt faster and faster, banging my engorged pussy into oblivion. I wanked my clit as he thrust me to the brim with rock hard prick. Pinning me down as he groped my boobs, Pietro hammered his tourist conquest until I came again, the sticky juice remaining lodged inside me as there was no room for it to exit. The pulsing of my fanny muscles did the business and I could feel the massive

dick filling me swell even more.

This I wanted to see as well as feel so I clambered free from his pole and swivelled around so the rigid rod was aimed into my face. Pietro grasped his cock and squeezed as I once more tickled the tip with my tongue. Suddenly my mouth was deluged with spunk. Powerful jets of seed rocketed down my throat, masses of the stuff sprayed over my lips and dripped down my chin onto my boobs as I desperately gulped down as much of his sperm as I could manage.

I slumped back onto the bunk with Pietro beside me and we smeared the remainder of his splatter all over my skin before kissing and cuddling each other playfully. Within seconds I could feel a hard muscle pressing against my stomach as it grew and I realised Pietro was no 'one hit wonder'!

My pussy got well and truly fucked at least twice a day for the rest of the cruise and by the time I got home I felt I needed another holiday just to recover.

And if anyone asks, cruises are certainly not boring in my book!

OFFICE SLUT

My boss locked the door as she came into the office. "And what I am going to do with you, you little slut?" She was right, I was a slut, after all my skirt was tucked into my waistband and my knickers were on her desk. I hung my head and noticed that Mark's spunk was still trickling down my bare breasts. My whole body was still weak with the sexual release of my last orgasm and my freshly fucked arse was throbbing powerfully, sending waves of bliss through my body.

I looked at the clock. An hour, I thought to myself, an hour ago I didn't know I could feel like this. An hour ago I had locked myself in my boss' office with one of the guys from computer support. I'd recently given him a couple of hand-jobs in the gents in return for preferential service. However, it was obvious that we were hot for each other, so I'd arranged that Mark was installing some new software on my computer when my boss went for lunch. The way his eyes lit up as she packed up made my pussy tingle in anticipation. I giggled like a schoolgirl when he grabbed me round the waist from behind and nuzzled the nape of my neck. The reception area was much too public to risk anything more than a snog or a grope but the prospect of a proper fuck lay behind the frosted glass of my boss' office.

I moaned as Mark squeezed himself against me with my bottom pressed against my

boss' desk and then gasped for breath as he broke our kiss and his mouth found my little strawberry nipples. At the same time his fingers traced up the inside of my thigh to the damp gusset of my panties where they rubbed away at my pussy, getting me hotter and hotter until I was desperate to feel his cock inside me. I begged him to fuck me but he teased me even more by rubbing my panty-clad pussy with his cock. Eventually, though, he tugged my panties off and guided his hot meat straight up my hungry hole. It was absolute bliss as he drove it all the way into me then pounded me higher until my orgasm spilled over me.

Mark pulled out and guided me so that I was bent over the desk with the soft flesh of my breasts on the cool wood.

"...he forced it down between my buttocks and into my bottom."

"Hmmm, nice arse," Mark said from behind as he admired my naked bottom. I spread my ankles even wider apart and wiggled my bottom seductively. I could feel his eyes eating in every little detail of my sex, every fold, every wrinkle. "Pretty arsehole too." He interrupted my dirty thoughts as he touched it with his fingers. I was horny and well up for a few anal antics and after a few minutes of fingering I wanted my arse to be fucked more than I could stand.

"Please," I begged him, thrusting my bottom out, "fuck my arse." I could see by the expression on his face that these were his wildest fantasies coming true. His cock looked ready to explode as he forced it down between my buttocks and into my bottom. My whole body tingled as he fucked me harder and harder, plunging his cock right up to his balls on every stroke. I was close to another orgasm with my fingers rubbing away at

my hot little clitty. Then, just as I thought he was going to come, he pulled his cock out to admire my gaping arsehole. "I can see inside you," he laughed before driving powerfully up my arse again. That was all I needed to break into another huge orgasm.

"I want to come on your face," he hissed, as his strokes became shorter and shorter. It seemed like a great idea with the waves of pleasure still pulsing through my body,

“...he fucked me harder and harder, plunging his cock right up to his balls.”

so as he whipped his cock out I crouched down on the floor with Mark standing over me pointing his cock at my face and waited. I love the anticipation, waiting like a porn slut to feel hot spunk rain down on my skin. I even opened my mouth and stuck out my tongue as Mark groaned and I was suddenly covered in sticky streamers of spunk. It was all over my face and breasts and some had landed in my mouth. I felt a satisfied smile rise on my lips but as I opened my eyes I saw her standing there. My expression froze in shock and my stomach churned.

Understandably, Mark was out of there in the time it took him to collect his clothes together. Carrie came back in and looked me up and down. “And what am I going to do with you, you little slut?”

Having sex was gross misconduct. There’d be an investigation and a hearing and even if I wasn’t sacked, it’d go on my permanent record with the firm.

“Please don’t report me,” I begged. “I need this job.”

Carrie said nothing for long moments as she stared at my near naked body, then quietly she said, “It’d be easier if you were a guy, then I’d just fuck you myself and that’d be the end of it.”

“You could fuck me,” I blurted out, before I realised what I was saying. I saw her eyes widen in surprise and then her expression softened into a dirty smirk.

“Okay. You make me come and it’ll be our little secret.” I nodded enthusiastically as my heart started to pound and I realised what I had just done. Like most women, I’d fantasized about having sex with another woman but now I’d propositioned my boss into a lesbian encounter to save my job.

My body was shaking uncontrollably as I moved to her and wrapped my arms around her, as much for support as anything else. Hesitantly I went to kiss her. I opened my mouth and invited

her tongue in, knowing that she’d be able to taste the salty remains of Mark’s spunk. Carrie responded like a horny teenager snogging behind the bike sheds. As my confidence grew I brought my hand up and squeezed her breast. It was firm and soft and I got a groan of approval from Carrie. In my excitement I managed to fumble her blouse open and unclasp her bra so that I could feast my eyes on her sexy slim body. I kissed her again with real passion before dropping down to her soft warm breasts. Then I brought my hand up under Carrie’s skirt to rub her pussy through her panties, just as Mark had done to me earlier. I could feel the fiery heat in her and knew that she’d be coming soon. Sure enough, her body tensed with orgasmic spasms and she dropped into her chair.

Carrie obviously thought our encounter

was over but I had what I can only describe as “pussy lust”. I wanted to see her pussy. I needed to taste it. I knelt in front of Carrie and slid my hands up her thighs and into the sides of her panties and tugged them down towards me. Carrie looked down at me in dreamy surprise but then lifted her bottom so I could slide them off. She was watching me carefully as I pushed her thighs apart and laid eyes on another woman’s pussy for the first time. It was neatly trimmed and I could see the folds of skin glistening with juice. She was desperate to be touched but I made her wait as I kissed my way up her thigh. When I was right over it I prised her lips apart with my fingers and lowered my mouth onto her. She squeaked and hooked a leg behind my head, forcing me into her open cunt. I wormed my tongue as deeply into her hole as I could manage before gently licking and sucking her. As her second orgasm approached I jammed two fingers as far as I could into her arsehole. Carrie bit back a passionate scream as she squirmed and wriggled like mad but then she clenched up in orgasm with my mouth firmly attached to her spasming cunt and my fingers still buried knuckle deep up her arse and all her energy was spent.

Being professional women we were both fully composed a few minutes later when the afternoon appointments began. And being a professional woman, I now have to lick my

ANAL VIRGIN CONVERTED

My girlfriend and I have been together for over a year now and I have been trying to persuade her to try anal sex. Up until recently, she has always refused on the grounds that it was too sordid or too painful. This all changed about a month ago when we booked a long weekend in Cornwall.

After a day lazing in the sun on the beach, we were both a bit parched, so we headed back to our hotel for a shower and an early night of romantic sex, or so I thought! To my delight, when I booked the room, I discovered that it had a four-poster bed. A romantic touch Sophie would appreciate, but for which I had other ideas.

After a cool shower together, Sophie asked me to rub some moisturiser into her sun-dried back. I got her to lie face down on the bed whilst I applied it. She put her towel down and lay naked on top of it. Her petite frame, now bronzed by the sun, instantly provoked a stir of excitement under my towel. I climbed on top and sat astride her buttocks with the lotion in hand. She let out a gasp as I applied the cool liquid to her slightly red shoulders and began to gently rub it in. As I leant forward to massage it in, I felt myself rubbing my groin into her bum cleavage and my prick sprang to attention in no time.

Sophie began to writhe slowly underneath me as she sensed my erection throbbing.

She reached around to grab it, wanking me slowly as I worked the moisturiser down her back towards her bum. I then spotted that the curtains round the bed had velvet sashes to tie them back with and I was struck with inspiration. Before Sophie could stop me, I had tied her hands to each of the front bed posts. She tried to turn over and face me but I grabbed her legs and tied each of them to the other posts. She was now face down on the bed, completely spread-eagled, naked and helpless. Her arse and pussy exquisitely exposed. I picked up the moisturiser and continued to massage lotion into her buttocks, then down the back and inside of her legs. She whimpered with excitement as I moved into her groin and started licking her pussy, tasting her sweet juices as she became more aroused. I probed her with my tongue, darting in and out and pushing it as far up her as I could. She was now pleading with me to fuck her.

“Put your dick in me! Fuck me now!” she said, but I had other plans.

I moved my tongue up her pussy towards her puckered ring leaving a trail of her juices and my saliva on her soft downy skin. I slowly pulled her bum cheeks apart to expose her tight arsehole, allowing me to apply pressure to it with my tongue. As I rimmed it eagerly, I felt her body tense up initially but she quickly relaxed again as she adjusted to this new stimulant. She was soon squirming underneath me and begged me again to fuck her.

“How about an arse fuck?”

I asked.

“Don’t you dare!” she replied. “You know I don’t like that sort of thing.”

But I wasn’t going to take no for an answer this time. I picked up the moisturiser and began to work it around her arsehole, teasing her ring with my fingers, as she lay powerless to stop me. By this time, my cock was about to explode with excitement and anticipation. I pushed my dick up against her pussy and entered her easily in one movement, my seven inches disappearing up her to her hilt. She gasped and moaned as I ground slowly in and out of her. Then I pushed a finger into her back passage.

“Ouch! What are you doing?” she yelped as she tensed her ring, tight around it, halting my progress.

I ignored her and continued driving my dick into her pussy. As she became preoccupied with my shafting, she relaxed her ring and I began working my finger in and out of her gorgeous arse. Plunging it into her in time with my thrusting cock.

She began moaning louder as I pounded harder and faster, in and out of both her holes. “Oh my God, I’m coming! I’m coming!” she groaned in ecstasy. I felt her simultaneously spasm her pussy around my dick and her ringer around my finger, as a flood of her come juice oozed past my cock.

Somehow, I had managed to hold back from coming but decided I wanted the ultimate prize. I withdrew and repositioned my cock at the entrance of her back passage. I paused as I nuzzled her ring with my helmet, waiting for approval.

"Go on," she said. "Push it in, but go easy."

I pulled her cheeks apart and gently increased the forward pressure of my cock. She gasped again as my helmet popped past her puckered hole. She tensed up and I stopped, whilst she became accustomed to the extra girth of my penis.

She took a few breaths before easing the tension in her ring and then breathed, "Go on, fuck me. Fuck me up the arse!"

I didn't need asking twice as I slowly fed the rest of my length up her dark hole.

I grabbed hold of her hips and slowly began pumping in and out, steadily increasing my thrusts as Sophie arched her bum up to meet them. This felt better than anything I could ever have dreamed up. The excess friction on my cock, as it rammed past her tight ringer, was just fucking heaven and in no time I was grunting as I felt my own orgasm building. I pumped harder and faster, driving in and out until I could feel my balls slapping up against her glistening pussy lips.

I looked up at Sophie's head. It was tilted to one side and I could just make out the look of concentrated ecstasy etched into her expression. She was loving it just as much as I was! I couldn't hold off any longer. I spurted out what must have been the biggest river of come

I have ever unleashed, deep into Sophie's arse, just as she tensed and cried out with her own orgasm.

I stayed in her for a while enjoying the spasms in her ring before climbing off to untie her. Then she turned around with a look of anger and slapped me full on in the face.

"Why the hell didn't you do that twelve months ago? I can't believe I've been missing out for so long, you're going to have to make up for lost time. Starting in five minutes!" – Clive, Southampton.

As we enter the upmarket apartment that Heather calls home, we can instantly tell that we are dealing with a classy lady. Which, Heather easily confirms with a few sharp remarks, finished with a naughty smile. Suddenly we are like putty in her hands or a puppy she can command, but can you really blame us, from looking at these pictures?

Hold onto your hats gentlemen; you may need them to cover up the tent pole effect Alli Rae is guaranteed to have on you, as this smoking blonde hits us hard in red. The all-natural 22-year-old is something of a hot ticket in the movie industry, but 2018 has been a quiet year so far for Alli.

"I'm being a bit more picky about what I want to do at the moment, rather than getting on board with anything thrown at me."

Alli notices our smirk.

"Yes, you can take that any way you like."

Don't be fooled by those big blue eyes, Alli's as naughty as ever!

TOTAL RECALL

Send your Total Recall request to: Total Recall Club International, 23 Lyon Road, Hersham, Surrey, KT12 3PU or you can e-mail us at clubint@paulraymond.xxx

Dear Total Recall, I'm sure I'm not the only guy out there who has vivid fantasies involving a female mechanic, slightly greased and wearing nothing under her overalls. So back in the day when Vol.34 No 3 of Club came

out, and I flicked through the pages, only to stop dead at the horny sight of Leona posing in front of a car with the bonnet up. Okay, so she was minus the overalls, but it had the desired effect. I've kept that issue all these years, and I can tell you it's given me a lot of pleasure over

that time, but the reason I'm writing into Total Recall, is that other readers of your brilliant magazine, old and new, should definitely cop a look at the gorgeous Leona and just imagine her working your tool with her lubricated pussy! Sam, email.

What our well-placed moles are telling us this month...

DOWN THE WIRE

DEATH CAP!

Mushrooms can be tricky little critters, especially the magic variety. A 41-year-old man is recovering in hospital after a mushroom high went terribly wrong. Police were alerted after a naked, bleeding male triggered an alarm outside a school, at 1.00 am in Columbus, Ohio. During the hallucinogenic episode, the man, who hasn't been named, tore off part of his own penis, causing mutilation and severe blood loss. He has been treated for his injuries and is making a good recovery. Maybe he should have stuck to the mushrooms in his fry up...

New butt plug?

Gallop-thru!

Surly a historical mode of transport wouldn't be discriminated against by Maccy D's? Think again. Police were called to the Whitfield, Greater Manchester branch of McDonald's where a woman was issued with a fixed penalty fine after taking her horse into the restaurant and allowing it to defecate on the floor. Initially, the unnamed rider had tried to purchase food from the drive-thru but was refused service as it was said to be a health and safety risk to staff and costumers. What a load of manure!

I named him Big Mac!

Seat of Mormon!

Clearly 'love thy neighbour' has become old fashioned, especially if thy neighbour is sitting in one's seat. Wayne Dodge, 51, was arrested in Plain City, Utah, after a disagreement on reserved seating gathered intensity and turned violent. Dodge, a regular attendee at the Meadows

Ward Mormon Church, sat in a pew reserved for a family that does not usually attend the Ward.

It is alleged that, after punches were thrown, Dodge struck one of his fellow churchgoers with his car. Still, unfortunately, there were 400 people bearing witness for a missionary farewell and a baby blessing. He's no Utah Saint...

I'll forgive thee, asshole!

If a grabbable arse, melon-like, well, melons and a naughty sense of fun is what you're looking for, then you have arrived in the paradise that this month's cover girl Beth Bennett has created, as she shows off her sumptuous curves and gives a quick low-down on what she's been up to.

"Recently I've made some really fun personal fantasy video's; the best one was where I tipped 28 cans of baked beans all over myself, I was pretty juicy!"

Well, that brings a whole new meaning to flicking the bean indeed.

There is something fun and slightly naughty in Alexis' smile that makes you tingle at the thought of being alone with her, and the possibility of getting to roll down those hold-ups is nearly too much to bear.

So after composing ourselves and knuckling down to the job, it was all undone again by a delicate parting of the legs and a flash of inner thigh. I'm getting giddy just thinking about it, so just imagine being in the room with Alexis!

After plumping up the cushions, Briony hops up onto the bed and lays herself out. "I've had a late couple of nights, and I really could just curl up right now like a cat." Interestingly she does remind me of a cat, a well-balanced feline, slinking her way towards you. We wouldn't mind stroking Briony's pussy, but alas, somethings must remain as fantasy.
